To Whom It May Concern:

I highly recommend Julia Hawkins as a candidate for a position within your district. Julia completed her observation hours for iTeach Texas under my supervision at [REDACTED]

During her time on campus, Julia spent time with students during classroom instruction, recess, morning drop off duty, and lunch duty. During these times, Julia was helpful, kind, and ready to jump in to assist whenever she could. She was respectful to all students, got along well with other staff members, and showed a positive attitude during all hours of her observation time. She spent time in 1st-4th grade classrooms and experienced self-contained rooms, switch rooms, math, RLA, and specials. She assisted 1st grade teachers during a hands-on project day where she worked with bilingual students, a visually impaired student, and Gen Ed populations.

Julia has strong interpersonal skills that are needed in order to build relationships with students and other staff members on campus. She also has excellent written and verbal communication and interpersonal skills with both staff and students. Julia embraces opportunities for professional development and mentoring which makes her an ideal member of any organization. She accomplishes all of these tasks with great initiative and with a positive attitude. I highly recommend Julia to you without reservation.

If you have any further questions with regard to her background or qualifications, please do not hesitate to contact me.

Sincerely,

*To Whom it may concern,*

*I am writing to recommend Julia Hawkins for a teaching position at your school. She has worked with me at [REDACTED] for almost 14 years. In the last few years, she had transitioned into not only a Trainer but a Smith System Certified Trainer. This puts her at the highest level possible and she more than exceeds at this position and reported to me as Sr. Transportation Manager governing all new employees at this ramp. (750 + employees)*

*As a colleague, Julia is always reliable and organized – she is the first to work making certain the classroom and all training materials were available and on hand. She also readily led our volunteering activities, including participation in specialized learning and training environments. She is one of our best educators, firm but always has a calming demeanor and a way of reading each student and finding the best way to get them engaged.*

*Also, I've always put a premium on integrity and honesty and Julia never failed to deliver on both fronts. All in all, Julia is a delight to work with – a dedicated educator with a positive attitude. I wouldn't hesitate to work with her again if the opportunity arose.*

*Should you have any further questions, feel free to reach me at [REDACTED]*

*Thanks,*
